It is several weeks since the Sir Ivan Fire and I would like to acknowledge the local business in the Dunedoo and surrounding areas for the amazing support. Every local business has contributed wherever possible in the recovery effort but today we would like to say a special thank you to Dunedoo Supermarket and S&S Meats for their exceptional assistance and to all the community groups who are catering for the Blaze Aid teams. The generosity displayed, both financially and with their time, has been amazing and we thank Trish and her staff and Graeme and his staff for a job well done.

Thanking you for your support
